

Village Dental Dentures Denture/Partial Warranty

Dentures break, crack, and fracture which is why we offer a warranty term for our dentures/partials.

During the warranty term we will repair free of charge, any break, crack, fracture or tooth loss that results from a flaw in our craftsmanship at no cost.

If you develop a sore spot while wearing your denture/partial we will be happy to make adjustments to relieve the area throughout the term of your warranty.

However, Village Dental employees will not reconstruct, repair, reline, or replace your denture free of charge due to the following:

Loss

Discoloration

Normal wear of denture teeth

Neglect or Abuse

This warranty does not cover changes in your gums and bone due to aging, weight changes which result in loose or ill-fitting dentures/partials.

Defects or damages made by someone other than Village Dental employees adjusting your dentures/partial are excluded from this warranty agreement.
